

# BRING THE FIRST DAY: COLLAGE

## SELF PORTRAIT

**Make a collage showing what YOU care about.** Put a picture of you in the middle. Then add pictures and words to tell us what is important to you, makes you laugh, makes you mad? What makes you happy, what makes you curious, what makes you scared?

What places do you like? What do you like to eat? What kind of sounds do you like to hear? What kind of dreams do you have?

**These ideas and images will be the starting point for song lyrics.**
